

Candido Martinez, RBT

Registered Behavior Technician

Candido is a Registered Behavioral Technician that is specializing in pediatric care and early intervention. Holding an extensive amount of experience in behavioral therapy, he has worked in schools, daycares, and homes with both children and teenagers as an RBT. He has experience as a Paraprofessional for special education classes, helping educate eighth graders both academically and socially. Candido enjoys watching the growth of the clients he works with and is always thinking of new ways to learn and have fun. He tries to also involve the parents and families in the progress of each client to aid in reaching their highest potential.
