

Gabby Fernandez-Felix, B.S., RBT Registered Behavior Technician

Gabriela is a Clinical Supervisor specializing in child development and early intervention. With a strong foundation in behavioral therapy, she has extensive experience working with children with autism. Gabriela has served in various roles, including Registered Behavior Technician (RBT), and has overseen treatment plans and staff training to ensure quality care. She also collaborates with multidisciplinary teams to enhance social and communication skills for her clients. Additionally, Gabriela is passionate about community outreach.
