

Jessica Scott, RBT

Registered Behavior Technician

Hello, my name is Jessica Scott. As a Behavior Technician, I thrive on bringing creative solutions to complex challenges. My primary focus is providing one-on-one therapy sessions with clients, where I actively engage them in activities to help them practice new skills. In my free time, I love spending time with my wonderful three children, going to my children's sports games, and going to the beach. I have previously worked in a pediatric clinic alongside multiple LCSWs and child psychologists. My goal in life is to make a difference by shaping and teaching children to improve their futures, as I strongly believe that children are our future.
