

## **Jacqueline Recendez, M.A., RBT**

### Registered Behavior Technician

Jacqueline is a RBT with a B.A. in Psychology and a M.A. in Applied Behavioral Analysis with an emphasis in Special Education. She has worked with children and teenagers from ages 1 to 17 years old doing one-on-one therapy, providing supervision for other RBTs, and conducting Parent Training sessions since 2019. Prior to ABA, Jacqueline completed an internship as an undergrad student working side-by-side with a middle school Counselor. Additionally, she was involved in her community by volunteering in the Special Olympics of Northern California, volunteering in various elementary schools, and participating in kids' carnivals hosted by her community. As Jacqueline pursues to grow in her role with Mylestones as a Clinical Manager, she continues to give back to her community during her free time by volunteering at her local gyms to assist with the kids' boxing and jiu-jitsu classes.
