

Janeya Satkamp M.S., BCBA

Board Certified Behavior Analyst

Janeya is a Board Certified Behavior Analyst with 10 years of experience working in the field of ABA, gaining her Master of Science degree in 2021 and BCBA certification in 2023. Janeya has experience working with individuals ages 1 all the way through adulthood, with various behavioral and developmental needs. She has worked in a variety of settings including center-based services, in-home services, community outings, and group-home settings. Janeya believes in tailoring programming to meet each individual's unique needs and learning style, and understands the importance of compassionate care and collaboration with families. As a mother, Janeya relates to the parental desire of wanting to do what is best for your children and she ensures that her programming for clients she serves meets the same standards that she would want for her own child. Outside of work, Janeya is passionate about homeschooling her son and is active in the homeschooling community in the Central Valley area. She also enjoys baking and doing yoga.
