

Samantha Canha, M.Ed., BCBA

Board Certified Behavior Analyst

Samantha (Sam) is a Board Certified Behavior Analyst specializing in working with children and young adults with behavioral and developmental differences. She started her career as an early intervention specialist working with preschoolers. She has worked in center based locations, in-home, and in public schools, and has worked with learners ranging from 18 months old to 22 years old. Sam's passion is working with learners to improve skills to increase independence. In Sam's free time she enjoys reading as much as possible and spending quality time with her husband and three children.
