

Hope Palomar B.A., BCAT

Clinical Supervisor

Hope is a Board Certified Autism Technician with a passion for working with children and their families. She began in the ABA field in 2022 and holds a bachelor's degree in psychology from California State University, Stanislaus. She has also been a sports coach for over 10 years, working with a wide range of ages and refining skills related to individualized learning and motivation. Working as a clinical supervisor, she hopes to encourage and support the entire family unit throughout their journey in ABA. Hope values compassionate care above all else and prioritizes finding the joy in learning and growth.
