

Ashley Chamberlain, M.S., BCBA Board Certified Behavior Analyst

Ashley Chamberlain is a dedicated Senior Clinical Director with over 17 years of experience in the field of behavior analysis. She earned her Master of Science degree from California State University Stanislaus in 2011 and became a Board Certified Behavior Analyst (BCBA) in 2013.

For 11 years, Ashley worked at Central Valley Autism Project as a Clinical Director in San Joaquin County, followed by three years at Patterson Joint Unified and three years at Beyond Behavior California. She has a strong commitment to supporting individuals from ages 1 to adulthood, tailoring her approach to meet the unique needs of each client.

As a wife and mother of two boys, Ashley understands the importance of faith, family and community. Her passion for helping others, combined with her expertise, makes her a vital asset to our team. In her spare time, she enjoys family outings, gardening, hot yoga, and being involved in her local church. Ashley's commitment to both her profession and personal life reflects her belief in nurturing growth and connection in all areas.
